(f) we have any material concerns over the adequacy of the information you have provided to us;

(g) that you are subject to an Act of Insolvency;

(h) that an applicable regulatory or law enforcement authority has initiated, or has announced that it will initiate, a regulatory or enforcement action, or investigation against you;

(i) that your conduct is disreputable or is capable of damaging our reputation (or the reputation of our Affiliates) by association;

(j) that there is a change in your circumstances (including, without limitation, a deterioration in or change to your Financial Position) or in the nature of your business which we consider materially adverse to us being able to continue providing Ebury Markets Services to you hereunder;

(k) that a Force Majeure Event has occurred and as a consequence of such we are prevented from, or it becomes impossible or impracticable for us to provide Ebury Markets Services to you;

(l) that you are no longer suitable to receive the Ebury Markets Services;

(m) that there has been the occurrence of a default, event of default, termination or other similar condition or event in respect of you or any of your Affiliates under one or more agreements with us or any of our Affiliates (a " Cross-Default"); or

(n) that our relationship with you presents a business risk to us or any of our Affiliates.

9.3 You will notify us immediately upon becoming aware of the occurrence of any of the events referred to in Clause 9.2 above.

9.4 We may terminate this Ebury Markets Agreement at any time without reason by giving no less than 60 days' prior written notice to you.

10. CONSEQUENCES OF TERMINATION

10.1 On or as soon as reasonably possible following a Termination Date all FX Trades shall be Closed Out, pending Orders shall be cancelled and we shall determine (in our sole discretion):

- (a) the amount recorded as being held in your Client Money Account on the Termination Date;
- (b) the total Losses incurred by us in respect of and following a Close Out (including, for the avoidance of doubt, the Close Out of any FX Trade that is subject to the Ebury Markets Agreement);
- (c) the market value of all Ebury Markets Margin being held by us as at the Termination Date; and
- (d) the total balance of any amounts, other Losses, Payments, fees and/or commissions payable by you as a result of the provision of Ebury Markets Services by us pursuant to this Ebury Markets Agreement or otherwise and which remain unpaid.

10.2 Based on the sums so established pursuant to Clause 10.1, we shall determine the balance due from each party to the other (each a **"Due Balance"**). Following such determination, a party's Due Balance shall be set-off against the other party's Due Balance, and the net balance of such set-off shall be calculated; with the resulting balance being the **"Termination Amount"**. If the Due Balance due to us by you is greater than the Due balance due to you, the Termination Amount shall be payable by you to us; and if the Due Balance due to you by us is greater than the Due balance due to us, the Termination Amount shall be payable by us to you. For the purposes of this calculation, all sums not denominated in GBP be converted into GBP at the spot rate prevailing at such dates and times determined by us, acting reasonably.

10.3 The parties understand and agree that following a Termination Date:

- (a) we will not be required to accept any further instructions or Orders from you;
- (b) we will not be required to:
 - (i) take into account for the purposes of the determination of the Termination Amount; or
 - (ii) pay or otherwise account to you, any profit made by us in respect of and following a Close Out; and
- (c) in the event that all or any part of the Termination Amount owed by you to us is not paid when due, such unpaid amount will accrue interest for the period from (and including) the original due date to (but excluding) the actual date of payment, at the Interest Rate.

10.4 If the Termination Amount is payable by:

- (a) you to us, such amount shall be immediately due and payable to our Nominated Account; or
- (b) us to you, such amount shall be immediately due and payable to your nominated bank account (but in all cases, subject to our rights to set-off such Termination Amount in accordance with the terms of this Ebury Markets Agreement).

10.5 Upon or following the occurrence of a Termination Date and subject to Applicable Law, we shall have the right without prior notice to you or any other person to:

- (a) set-off any Termination Amount owed by us to you against any obligation owed by you (or any of your Affiliates) to us (or any of our Affiliates), whether or not arising under this Ebury Markets Agreement, the Relationship Agreement, matured or contingent and irrespective of the currency, place of payment or booking office of the obligation, or
- (b) set-off any Termination Amount owed by you to us against any obligation owed by us (or any of our Affiliates) to you (or any of your Affiliates), whether or not arising under this Ebury Markets Agreement, the Relationship Agreement, matured or contingent and irrespective of the currency, place of payment or booking office of the obligation) (the "Other Amounts"),
- (c) To the extent that any Other Amounts are so set-off, those Other Amounts will be discharged promptly and in all respects. For the purpose of cross-currency set-off, we may convert either obligation at the applicable market exchange rate selected by us on the relevant date. If an amount of an obligation is unascertained, we may estimate that amount and set off in respect of the estimate, subject to the relevant party accounting to the other when the amount of the obligation is ascertained. Nothing in this Clause 10.5 will be effective to create a charge or other security interest. This Clause 10.5 will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirements to which a party is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise).

10.6 Following the payment of the Termination Amount in full (and, if applicable, any set-off in accordance with Clause 10.5), we

may close your Client Money Account.

10.7 The termination of this Ebury Markets Agreement shall not affect any provisions of this Ebury Markets Agreement that are expressly or by necessary implication intended to survive such termination.

If you do not have sufficient funds in your Client Money Account, we may postpone the execution date of the FX Trade and we may impose a charge to cover the cost of us doing so.

13.5 You understand and agree that, in the event that a trade is cancelled:

- (a) if we have already received the Payment Amount, we will return and credit such amount to the originating account, provided that in the event that we determine (in our sole and absolute discretion) that the foreign exchange rate and/or spread at the time of return is different from that which applied at the time of the relevant Order or as set out in the Transaction Receipt, the amount returned will be subject to the then subsisting foreign exchange rate and/or spread (which may result in such returned amount being more or less than the original Payment Amount);
- (b) we will not refund any fees that you have paid to us in respect of such FX Trade/Order; and

14.3 Failure to make Payment in accordance with this Clause 14 will be a material breach of this Ebury Markets Agreement and you shall be fully liable for any Loss we or our Affiliates suffer as a result of such breach (including, but not limited to, any Loss we or our Affiliates suffer as a result of a Close Out).

14.4 Without prejudice to any other rights and remedies available to us under Applicable Laws or pursuant to this Ebury Markets Agreement, we may charge interest on any unpaid sum due to us under this Ebury Markets Agreement at the Interest Rate. This interest will accrue daily from (and including) the original due date for payment to (but excluding) the actual date of payment in cleared funds.

15. FX TRADE

15.1 From time to time we may agree to enter into a FX Trade with you. You understand and agree that we buy and sell currency for

non-speculative purposes only and will not trade with you if you are seeking to enter into FX Trade(s) as an investment or to profit by pure speculation on foreign exchange rate movements.

15.2 At any time and from time to time, we may, in our sole discretion, notify you of a Ebury Markets Margin Call. You understand and agree that in the event we consider (in our sole discretion) from time to time, that the amount of Ebury Markets Margin you have transferred to us hereunder is insufficient to secure or otherwise collateralise your obligations and liabilities to us, we may make additional Ebury Markets Margin Calls to you.

15.3 In the event of an Ebury Markets Margin Call, you must transfer the relevant Ebury Markets Margin amount (or additional Ebury Markets Margin amount, as the case may be) to our Nominated Account within twenty-four (24) hours of us notifying you of a Ebury Markets Margin Call (or such other period as notified by us to you in writing).

15.4 In providing us with Ebury Markets Margin, you agree that such monies (i) will become the absolute property of ours, free from any equity, right, title or interest of yours; (ii) may be used by us in the ordinary course of our business, including without limitation to cover any exposure we may have to a third party liquidity provider with whom we have entered into transactions to hedge our exposure; (iii) will not be maintained by us in a segregated account; (iv) shall not be subject to a trust, deemed or otherwise, in your favour and (v) represents an unsecured claim against us for an amount equal to such amount and does not represent a claim, by way of trust or otherwise to the Ebury Markets Margin or any assets of or under the control of Ebury Markets.

15.5 If at any time and from time to time we determine that the Ebury Markets Margin you have transferred to us is in excess of the amount we require for the purposes of securing or otherwise collateralising your obligations and liabilities to us hereunder, we will notify you of the existence of such excess Ebury Markets Margin. At any time following such notification by us to you:

- (a) you may request the return of any excess Ebury Markets Margin; and
- (b) subject to us determining that there continues to be excess Ebury Markets Margin on the day on which you make such request, we will return to you as soon as reasonably practicable the relevant excess (if any).

15.6 You may ask us to bring forward (pre-deliver) the Delivery Date or to extend (roll over) the Delivery Date in relation to the whole or only part of your FX Trade. If we in our discretion agree to do so, you acknowledge that we may adjust the Payment Amount to reflect the new Delivery Date.

15.7 If you request and we agree to Close-Out a FX Trade in advance of its original maturity or termination date, there may be a delay in us returning Ebury Markets Margin (subject to any deductions we may make from such Ebury Markets Margin pursuant to the terms of this Ebury Markets Agreement) to you whilst we close out or otherwise terminate any transaction(s) which we have entered into with our liquidity providers and such liquidity providers return the margin related to such transaction(s) to us.

16. LIMIT ORDERS

16.1 Where we agree to accept a Limit Order from you, whilst we shall use of reasonable endeavours to exchange money at the specified exchange rate within the agreed time period, Ebury Markets does not guarantee that we will be able to effect an exchange at the specified rate relating to such Limit Order and you agree that we may have to effect the conversion at a rate which is different to the relevant specified exchange rate. Where we are unable to execute a Limit Order for you within the agreed time period, we shall seek to notify you where Applicable Law allows.

16.2 If the last day of the agreed time period falls on a non-Business Day, your Limit Order will expire on the following Business Day.

16.3 You may cancel a Limit Order at any time (by telephone or by email), up until the point in time at which we commence the relevant conversion/transaction relating to such Limit Order.

16.4 Upon successful execution of a Limit Order, we will provide you with a Transaction Receipt setting out the details of the FX Trade.

17.2 If we Close Out one or more FX Trades pursuant to this Clause 17, or we agree to Close Out a particular FX Trade(s) following a request by you:

(a) where we have elected to Close Out any or all current FX Trades following the occurrence of any of the events/ circumstances specified in Clause 17.1, we shall cancel any pending Orders and we will not be required to accept any further instructions or Orders from you;

(b) we will buy-back/sell the currency that we have sold/bought for you in connection to the relevant FX Trade(s) at any market rate that is available to us. If we incur any Loss you will be liable to us for the amount of that Loss (as well as any costs incurred by us);

(c) where permitted by Applicable Law, we will not pay you any profit arising from the Close Out;

(d) you acknowledge that the amount of any Loss of ours realised on the Close Out of a FX Trade is a debt payable by you to us and agree that we may immediately deduct the total amount of any Loss (together with any costs) from your Client Money Account (if funds are available to do so);

(e) if the amount we are seeking to recover from you exceeds the amount of any Ebury Markets Margin or funds available in your Client Money Account, you must immediately pay the remaining balance to us upon being notified by us of the total amount due; and

(f) we may charge you interest on any sum that remains payable to us after we Close Out at the Interest Rate for the period from (and including) the original due date to (but excluding) the actual date of payment.

(a) give the other party advance notice of the fact and a copy of the information which it intends to disclose;

(b) allow the other party to make representations or objections about the disclosure; and

(c) take into account the reasonable representations and objections the other party makes.

18.4 The duties in this Clause shall continue to apply after this Ebury Markets Agreement ends without limit in time.

19. CONFLICTS OF INTEREST

19.1 Ebury Markets may have an interest, relationship or arrangement that is or may be in conflict with, or otherwise material in relation to, the Ebury Markets Services it provides to you. Subject to Applicable Law, you agree that no such conflict of interest or potential conflict of interest shall prevent us from carrying out any Ebury Markets Services for you (or for any other person) and we shall not be liable to account to you for any benefit made or received by us in any such circumstances.

19.2 Ebury Markets is required to and does maintain and operate effective organisational and administrative arrangements with a view to taking all reasonable steps designed to prevent conflicts of interest from adversely affecting the interests of our clients.

19.3 Ebury Markets has put in place a conflicts of interest policy which:

20. YOUR MONEY

20.1 Subject to Clause 26 of this Ebury Markets Agreement, your money held with Ebury Markets in the Client Money Accounts shall be treated as Client Money in accordance with the Client Money Rules.

20.2 Unless otherwise indicated, we will deposit your Client Money in one or more Client Money Account(s) held with banking institutions. We may transfer client money to an intermediate broker, settlement agent or OTC counterparty that may be located outside of the UK in accordance with the Client Money Rules. You understand and agree that where Client Money is deposited with another person, they may have a security interest or lien over, or right of set-off in relation to, such Client Money, to the extent we are permitted to grant such rights under the Client Money Rules.

20.3 If, as at close of business (London time) on any Business Day, we have identified a discrepancy as a result of, or that reveals a Client Money Shortfall that we consider we are required to account to you for that shortfall pursuant to the Client Money Rules, we shall, unless otherwise agreed with you, transfer an amount of our own cash (a **"Resolution Amount"**), equal to the value of such Client Money Shortfall (as applicable) (the **"Shortfall Amount"**), to the Client Money Account. A Resolution Amount may comprise cash in GBP or such other currency as we in our sole discretion determine, and shall be treated as client money in accordance with the Client Money Rules once credited to the Client Money Account.

20.4 If at any time and from time to time on any Business Day following a Resolution Amount being credited to the Client Money Account the associated Shortfall Amount decreases or is reduced to zero (other than where such decrease or reduction occurs solely as a result of the Resolution Amount being credited to the Client Money Account), the Resolution Excess Amount shall

become immediately due and payable by you to us.

20.5 You understand and agree that for the purposes of satisfying your obligation to pay to us any Resolution Excess Amount we will be entitled, and you authorise us, from time to time to debit such amount from the Client Money Account. You further understand and agree that any

Resolution Excess Amount debited from the Client Money Account may be credited to a proprietary account of ours.

20.6 We will not pay any interest on any Client Money held on your behalf.

20.7 We shall accept no liability for the acts, failures to act or the insolvency of any third party with whom we place Client Money. In the event of the insolvency or any other analogous proceedings of a third party holding Client Money, we may only have an unsecured claim against the third party on your behalf and you will be exposed to the risk that the securities, cash or any other property received by us from the third party is insufficient to satisfy your claim and the claims of all other relevant clients.

20.8 Where we hold Client Money with a bank, or transfer your money to an intermediate broker, settlement agent or OTC counterparty, in each case located outside of the UK, the legal and regulatory regime applying to such person may differ from that of the UK. In the event of the failure of such person, Client Money may be treated in a different manner from that which would apply if the money were held by a person located in the UK.

20.9 Where we hold Client Money for you, in the event that there is no movement on an account for a period of six (6) years in relation to your money and we are unable to contact you having made reasonable attempts to do so in accordance with the FCA Rules, we may transfer the money to a registered charity of our choice. In these circumstances we will still be liable to pay these balances to you on presentation of a valid claim.

20.10 We may transfer client money to an Affiliate or to a third party as part of a sale or transfer of all or part of our business, where that Client Money relates to the business being transferred. In such case, either the sums transferred will be held for you by the Affiliate or third party to whom they are transferred in accordance with the Client Money Rules or, if the sums will not be held in accordance with the Client Money Rules, we will exercise due skill, care and diligence in assessing whether that Affiliate or third party to whom Client Money is transferred will apply adequate measures to protect such Client Money.

20.11 We will provide you with a statement of Client Money held on a quarterly basis if required under the Client Money Rules.

20.12 You understand and agree that:

(a) in advance of entering into any FX Trade hereunder, you must have sufficient funds in your Client Money Account (as determined by us) to cover the amount of such FX Trade;

(b) in the event that we consider that there is insufficient funds in your Client Money Account to cover the amount of a FX Trade you want to enter into, we may instruct Ebury Partners to transfer the relevant amount from your E-Money Account to the Client Money Account for the purposes of covering such FX Trade and (ii) on such money being debited from your E-Money Account and credited to your Client Money Account, it shall cease to be held in accordance with the Relationship Agreement and shall instead be held in accordance with the Client Money Rules;

(c) notwithstanding Clause 20.12(b) above, we may reject, suspend, decline, disregard or cancel an Order and/or FX Trade in our sole discretion (including, without limitation, where we consider there is insufficient funds in your Client Money Account to cover the amount of any FX Trade); and

(d) if on the settlement of a FX Trade entered into hereunder a profit is released in your favour, the amount of such profit will be credited to your Client Money Account.

21. BEST EXECUTION

21.1 Unless you are an Eligible Counterparty:

(a) FX Trades (or other transactions) entered into under this Ebury Markets Agreement will be handled by us in accordance with our best execution policy which is available and updated from time to time through our website at the following webpage: <https://ebury.com/legal/> (the "Best Execution Policy");

(b) you acknowledge and agree that you have read and understood the Best Execution Policy Disclosure and agree that the FX Trades (or other transactions) entered into by you under this Ebury Markets Agreement will be handled in accordance with the Best Execution Policy; and

(c) you acknowledge and agree that Ebury Markets may from time to time make amendments to the Best Execution Policy and that you are responsible for checking any changes thereto which are published from time to time at the following webpage: <https://ebury.com/legal/>.

21.2 You accept that Ebury Markets is the only execution venue in relation to your trading activity under this Ebury Market Agreement and agree that where we execute FX Trades (or other transactions) for you, you consent to us doing so outside of a Trading Venue.

22. OUR CHARGES

22.1 We will report to you on the costs you will incur when trading with us in accordance with Applicable Laws.

22.2 You agree to read the costs and charges disclosure that Ebury Markets will provide before opening your account.

22.3 You acknowledge and agree that where we have categorised you as a Professional Client, we may, as permitted under Applicable Laws, provide you with a more limited costs and charges disclosure which may be less detailed than we would be required to provide to you in the absence of such agreement.

22.4 We act honestly, fairly and professionally in your best interests and ensure that we provide you with all relevant disclosures, which may sometimes include details of minor monetary or non-monetary benefits we pay to, or receive from, any affiliate or a third party in respect of any FX Trade (or other transaction) entered into hereunder. We will disclose these payments or benefits to you at least once a year.

23. REGULAR REPORTS

23.1 When you execute a transaction with us under this Ebury Markets Agreement, we will provide you a Transaction Receipt (confirming the essential information relating to the relevant transaction) as soon as possible and you will notify us if.

(a) you agree with the contents of the Transaction Receipt by no later than 5:00 p.m. London time on the Business Day on which we provide you with a Transaction Receipt; or

(b) you have noted an error in the contents of Transaction Receipt which does not accurately reflect the terms of the relevant FX Trade (or other transaction), in which case both parties will each use reasonable efforts to resolve the issue and agree the Transaction Receipt by no later than 5:00 p.m. London time on the Business Day on which we provide you with a Transaction Receipt and, failing agreement, you understand and agree that information set out in our records will be deemed to have been agreed by the parties.

23.2 In the event that you do not provide any notification in accordance with Clause 23.1 above, you understand and agree that you will be deemed to have agreed with the terms set out in the Transaction Receipt.

23.3 Unless we notify you otherwise, we will provide you on a quarterly basis with a report detailing any open transactions that you have with us.

24. DISPUTES

24.1 Each party agrees that, to the extent the dispute resolution risk mitigation requirements under EMIR apply to each party, it will have internal procedures and processes in place to record and monitor any dispute for as long as the dispute remains outstanding.

25. SINGLE AGREEMENT

Each transaction entered into hereunder is in reliance on the fact that this Ebury Markets Agreement and all Transaction Receipts form a single agreement between the parties, and the parties would not otherwise enter into any transaction hereunder.

26. TITLE TRANSFER COLLATERAL ARRANGEMENT

26.1 Any Ebury Markets Margin transferred to us by you or on your behalf will be for the purpose of securing or otherwise covering all Customer Liabilities (the "Title Transfer Collateral Agreement"). You acknowledge and agree that in the event of our insolvency, you will be a general, unsecured creditor of Ebury Markets and any Ebury Markets Margin transferred to us pursuant to this Title Transfer Collateral Agreement may not be available to be returned to you.

26.2 Where we accept cash as Ebury Markets Margin under this Title Transfer Collateral Agreement, you will transfer to us full ownership of such cash so that all rights, title and interest in and to such cash will pass to us outright and we will acquire full ownership of such Ebury Markets Margin. You acknowledge, understand and agree that we will not hold any Ebury Markets Margin

on your behalf under the Client Money Rules or other similar provisions relating to holding of client assets. You also agree that we can deal any cash provided to us as Margin as our own.

26.3 You understand and agree that if on the settlement of a FX Trade entered pursuant to the terms of this Ebury Markets Agreement a profit is realised in your favour, the amount of such profit will constitute Ebury Markets Margin for purposes of, and in accordance with, Clause 26.1 and 26.2.

26.4 Where we agree with you in advance that financial instruments which are acceptable to us may be posted to us as Ebury Markets Margin, you acknowledge and agree to transfer such financial instruments with full title guarantee free from any security interest, lien, claims, charges, encumbrances or other restriction (other than a lien routinely imposed on all financial instruments in a clearing system in which such financial instruments may be held). Any Ebury Markets Margin transferred to us as financial instruments will not be held in accordance with the Custody Rules and will not be held in your name and your claim in respect of such Ebury Markets Margin will be a contractual right to the return of equivalent financial instruments (being financial instruments of the same type, nominal value, description and amount).

26.5 You may make a request in writing to terminate this Title Transfer Collateral Agreement. Any such request will not take effect until we have given prior written notice that we agree to terminate this Title Transfer Collateral Agreement. In addition, the transfer of any Ebury Markets Margin pursuant to this Title Transfer Collateral Agreement will constitute a "Title Transfer Financial Collateral Arrangement" pursuant to the Financial Collateral Arrangements (No 2) Regulations 2003 (SI 2003/3226).

26.6 If at any time and from time to time, we determine that the Ebury Markets Margin you have transferred to us under this Title Transfer Collateral Agreement is in excess of the amount we require for the purposes of securing or otherwise covering the Customer Liabilities, we will notify you of the existence of such excess Ebury Markets Margin. At any time following such notification by us to you:

(a) you will be entitled to request the return of any excess Ebury Markets Margin; and

(b) subject to us determining that there continues to be an excess in Ebury Markets Margin on the day on which you make such request, we will return to you as soon as reasonably practicable the relevant excess (if any).

26.7 You are not entitled to receive any interest on cash Ebury Markets Margin held under this Title Transfer Collateral Agreement.

27. EMIR TRADE REPORTING

27.1 In accordance with EMIR, we are required to report to a trade repository certain FX Trades entered into with you under this Ebury Markets Agreement ("**Trade Reporting Obligation**"). You agree to provide such information (the "**Counterparty Data**") as we may reasonably request from time to time (including, without limitation, your legal entity identifier (LEI) number and any updates to such information already provided) as we consider necessary for the purposes of complying with the Trade Reporting Obligation. It is your responsibility to obtain and maintain an LEI in respect of your activities for the duration of each FX Trade.

27.2 You hereby acknowledge and agree that we may use the Counterparty Data to comply with our Trade Reporting Obligation and rely on the Counterparty Data without investigation, unless and until you inform us otherwise.

27.3 Unless otherwise agreed, Ebury Markets will submit any EMIR trade reports on your behalf in accordance with the terms set out in Schedule 3 (EMIR Reporting Schedule).

27.4 Where it has been agreed that Ebury Markets will not submit EMIR trade/transactions reports on your behalf, you acknowledge and agree that we are not required to report trades on your behalf and we shall comply only with any FX Trade Reporting Obligations under EMIR as it applies to us.

For the purposes of the PDD Protocol, Ebury Markets shall be the "Portfolio Data Sending Entity" and you shall be the "Portfolio Data Reviewing Entity".

29. OTHER IMPORTANT TERMS

29.1 We are required by FCA Rules to make and retain records of telephone conversations and electronic communications which relate to the reception, transmission and execution of your FX Trades (and other transactions) under this Ebury Markets Agreement. Ebury Markets will retain a copy of the recording of such conversations and communications with you, and these will be available to you on request, for a period of five years. We may provide copies of such records to regulatory authorities upon their request in order to comply with our regulatory obligations, without your consent.

Any notice or information sent by email or comparable means of communication shall be deemed to have been duly given on the date of transmission (unless such notice or information is returned to the sender as undelivered). Service of any document for the purposes of any legal proceedings concerning or arising out of this Ebury Markets Agreement shall be effected by either party by causing it to be delivered to the other party at its registered office or at its last known address, as applicable.

29.5 We may listen in to or record phone calls with you (or any of your Authorised Parties) to:

- (a) check we are carrying out your instructions correctly and that we are meeting our regulatory obligations;

29.8 You may not transfer any of your rights or obligations under this Ebury Markets Agreement without our prior written consent.

29.9 No failure or delay by either party in exercising any of its rights under this Ebury Markets Agreement or pursuant to Applicable Laws shall be deemed to constitute a waiver of that or any other remedy or right, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

29.10 This Ebury Markets Agreement shall apply to each FX Trade (or other transaction) which is outstanding as at the date of this Ebury Markets Agreement which is subject to an agreement that you have previously entered into with Ebury Markets. Each such FX Trade (or other transaction) shall be treated as if it had been entered into under this Ebury Markets Agreement and the terms of each such FX Trade (or other transaction) shall be amended accordingly with effect from and including the date of this Ebury Markets Agreement.

30. DATA PROTECTION

30.3 Each party irrevocably agrees that the courts of England shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Ebury Markets Agreement or its subject matter or formation (including non-contractual disputes or claims). For such purposes each party irrevocably submits to the jurisdiction of the English courts and waives any objection to the exercise of such jurisdiction. 30.6 Ebury Partners UK Limited is a company incorporated in England & Wales (Company No. 07088713), whose registered office is at 100 Victoria Street, London, SW1E 5JL, which is authorised as an electronic money institution by the Financial Conduct Authority under the Electronic Money Regulations 2011 (FRN: 900797).

Schedule 1 - Risk Disclosure Notice

When you enter into OTC foreign exchange transactions (including, without limitation OTC Forward Trades or NDFs) ("OTC Contracts") with Ebury Markets, you will be entering into a privately negotiated contract with Ebury Markets as principal. This means that Ebury Markets acts as the seller when you buy and the buyer when you sell.

OTC Contracts are not transferable to other third parties, and must be closed with Ebury Markets. OTC Contracts are not executed on an exchange and are not required to be cleared through a central counterparty or clearing system. OTC Contracts may not afford you with the same level of regulatory and financial protections offered by exchange-traded or cleared transactions. Both you and Ebury Markets are obliged to perform our respective obligations under each FX Trade / transaction in accordance with the terms set out in the Ebury Markets Agreement.

Ebury Markets establishes the prices at which it offers to trade with you based on prices that are made or quoted to Ebury Markets or its Affiliates by the banks, financial institutions, exchanges and counterparties with which we do business and which may not be the same as prices available from other sources. These prices depend on fluctuations in the financial markets which are outside Ebury Markets' control. Financial markets in general, and these products in particular, are volatile and can move rapidly, particularly in response to news events.

In entering into OTC Contracts you should understand that Ebury Markets is acting solely in the capacity of an arm's length contractual counterparty to you and not in the capacity of your financial advisor or fiduciary. Accordingly, you should not regard any information, proposal, suggested trade or trading strategy or other written materials or oral communications from Ebury Markets as investment recommendations or advice or as expressing Ebury Markets' views as to whether a particular transaction is appropriate for you or meets your financial objectives.

Entering into OTC Contracts involves a degree of risk and some OTC Contracts are more risky than others. Prices can fall as well as rise and there is a risk you may lose some or all of your investment in an OTC Contract. You acknowledge and agree that the amount of Margin that you are required to pay in respect of an OTC Contract may be small relative to the value of the OTC Contracts so that transactions are "leveraged" or "geared". A small market movement will have a proportionally larger impact on your position and this may work against you as well as for you.

You further acknowledge and agree that before deciding to transact in any OTC Contract you will need to assess the risks inherent in those OTC Contract which include but are not limited to: credit risk; market risk and the impact of positive and negative market conditions; liquidity risk; risks relating to volatility; limitations on the available market; impediments or restrictions on divestment (including possible exit methods and their consequences, possible constraints on and the estimated timeframe for sale); tax risk; foreign exchange risk; business risk; operational risk; issuer risk; insolvency risk and related events such as bail-in; stabilisation risk; dividend risk; regulatory risk; legal risk; risks relating to leverage; margin requirements or similar obligations; the risks of "over the counter" trading, as opposed to on-exchange trading (such as the nature of clearing house "guarantees", transparency of prices and ability to close out positions); and whether you may assume, as the result of the investment, financial commitments or other additional obligations, including contingent liabilities additional to the cost of acquiring the investment. You should also read any relevant documentation, for example term sheets, which may highlight a non-exhaustive set of additional risks particular to an OTC Contract. You should not rely on such highlighted risks as being the only risks in relation to an OTC Contract.

In view of the risks, you should trade in OTC Contracts only if you understand the contracts (and contractual relationships) into which you are entering. Trading in OTC Contracts is not appropriate for many members of the public. You should consider whether trading is appropriate for you in light of your experience, objectives, financial resources, risk tolerance and other relevant circumstances. Most importantly, do not invest money that you are not in a position to lose.

As detailed in paragraph 4 of Schedule 2 (Best Execution Policy Disclosure), when we enter an OTC Contract with you, we will cover off our exposure in relation to such OTC Contract by entering a similar transaction with our third-party liquidity providers. Accordingly, we may use some or all of the Margin you provide to us in accordance with Clause 26 of the Ebury Markets Agreement to collateralise the FX Trade (or other transactions) we have entered with our liquidity providers.

You understand and agree that, notwithstanding Clause 26.6 of the Ebury Markets Agreement, in the event you request and we agree to close or terminate a OTC Contract in advance of the originally scheduled maturity or termination date of such OTC Contract, there may be a delay in returning to you the Ebury Markets Margin relating to such OTC Contract whilst we close or otherwise terminate the corresponding transaction we entered with our liquidity providers and are returned the related margin from such liquidity provider.

Schedule 2 - Best Execution Policy Disclosure

1. Background

This document summarises the Best Execution Policy for Ebury Markets as required by MiFID II and/or the FCA Handbook (as applicable) in respect of foreign exchange Trades and transactions (including, without limitation, OTC Forward Trades or NDFs) traded by us. Foreign exchange transactions are classified under MiFID II and/or MiFID Org Regulation and Part 1 of Schedule 2 of the Regulated Activities Order (as applicable) as investment products and therefore subject to those regulations. As set out in MiFID II and/or the FCA Handbook (as applicable), we are required to take all reasonable steps to obtain the best possible result for our clients.

2. Purpose

Ebury Markets has established and implemented policies and procedures, including a Best Execution Policy, which are designed to obtain the best possible results for your Orders / FX Trades, subject to and taking into account any specific instructions, the nature of your Orders / FX Trades, the nature of the markets, price, costs, speed, likelihood of execution and settlement, size and the products concerned. This policy disclosure provides summarised information on our Best Execution Policy. If you have any questions about this disclosure or our Best Execution Policy, please contact an Ebury Representative.

3. Scope

The Best Execution Policy is addressed to those clients classified as Professional Clients who deal directly with Ebury Markets. The Best Execution Policy is not directed at Retail Clients and should not be relied upon if you are a Retail Client. The Best Execution Policy applies with respect to the FX Trades and transactions which Ebury Markets may enter into with you from time to time pursuant to the terms of the Ebury Markets Agreement.

4. Mode of Operation

We operate a matched principal broker model, in which we will contract directly with you and then cover off the exposure created by our contract through a similar trade with one of our liquidity providers. From a best execution perspective, our obligation, all other execution factors being equal, is therefore to obtain the best 'wholesale' price from our list of available liquidity providers. (Note that we do not derive any commercial benefit from selecting one provider over another). In doing so we can offer you the best exchange rates available to us.

5. Execution Factors

In assessing the delivery of our products to you, we are required to consider all aspects of service execution, including:

- (b) price;
- (c) speed;
- (d) settlement size; and
- (e) likelihood of execution.

The key criterion will be the selection of the best available wholesale price offered by our liquidity providers maintaining the highest level of operational standards, such as speed of delivery and accuracy of settlement.

6. Consent

MiFID II and/or the FCA Handbook (as applicable) requires your consent to our Best Execution Policy. It is understood and agreed that the act of entering into the Ebury Markets Agreement with us constitutes your consent to the Best Execution Policy.

7. Review

As with all of our compliance procedures, we keep our Best Execution Policy under constant review, including the performance of our liquidity providers.

Schedule 3 - EMIR Reporting Schedule

All reports will be made on a reasonable efforts basis and Ebury Markets will decide in its sole discretion whether a Trade Reporting Obligation has arisen, the characterisation of the relevant transaction, the data to be included in the report and a unique trade ID for each reportable transaction.
2. Ebury Markets may also utilise the services of a third party service provider, or any Affiliate of us, to facilitate the submission of the relevant data or other performance by us (including but not limited to any system, interface or other technology developed by such third party service providers for such purpose).
3. Ebury Markets will submit relevant FX Trade / transaction reports, which includes but is not limited to reporting, valuation and collateral reports (the **"EMIR Transaction Reports"**) to our chosen trade repository, who we may select at our sole discretion.

5. Ebury Markets shall not be liable for any partial or non-performance of the Trade Reporting Obligation by reason of any technical error, breakdown or failure of transmission, communication or computer facilities where such technical error, breakdown or failure is outside of our (and/or our Affiliates' and/or agents') control, provided that we shall use reasonable efforts to correct, repair or retransmit any such technical error, breakdown or failure as soon as reasonably practicable after having become aware of such technical error, breakdown or failure.
6. Ebury Markets is not acting as fiduciary for, or an adviser to you in respect of the Trade Reporting Obligation.
7. You agree to indemnify Ebury Markets on an ongoing basis against any Loss, cost, expense or liability (including reasonable legal fees) incurred by or awarded against us in connection with the Trade Reporting Obligation as it applies to you other than arising from our gross negligence, fraud or wilful default.
8. The basis on which Ebury Markets provides this delegated reporting service to you may be amended as needed from time to time as and when required by changes in reporting requirements, systems or processes or for any other similar reason. Ebury Markets will make any amendments or changes to this EMIR Reporting Schedule in accordance with Clause 1.3 of the Ebury Markets Agreement.
9. Ebury Markets may terminate the provision of this delegated reporting service at any time upon the giving of not less than six (6) weeks' prior written notice and you may terminate this appointment at any time on the giving of not less than five (5) business days' prior written notice or, in either case, sooner if pursuant to legal or regulatory requirement.
