# Ebury Currency Accounts

We enable your business to repatriate funds from international customers and your subsidiaries through our (local) currency accounts. Ebury holds accounts across numerous currencies, which allows you to pay and collect like a local - increasing customer loyalty and reducing your customer's bank charges. Your business can track every payment arriving in the collection account in real time.

## Key features

- ③ Pay locally in 37+ currencies\*
- ③ Receive locally in 11+ currencies
- ③ Hold balances in 29+ currencies
- ③ Convert and send payments in 130+ currencies

## What are the benefits?

- ③ No local entity setup required - Ebury provides your business a virtual presence
- ③ Pay out locally for more speed and certainty over final settlement amount
- ③ Receive locally for better payment experiences for your customers (no extra fees, no hassle, no delays)
- ③ Quick onboarding & account setup
- ③ Competitive exchange rates
- ③ Easy to manage through our online portal and via API
